Dear CARA Awards Committee,

I am (honoured/pleased/delighted) to nominate (nominee name) for the **Public Engagement & Advocacy Award**.

(Nominee name) established and maintained public engagement with research through an innovative approach that engaged the public by:

- Example of the approach (an outreach campaign including communications initiatives such as a blog with high readership, advertisements, publications and/or events)
- Reference of media mentions of the campaign and other recognition external to the institution

I recommend (nominee name) most strongly for the **Public Engagement & Advocacy Award**.

Sincerely,

(nominator name)
