

Honourary Membership Policy and Expression of Interest

CARA welcomes and encourages continued engagement with members beyond their retirement. Retirees have extensive skills and experiences that are valuable to the CARA membership. Therefore, CARA is pleased to offer a one-year renewable Honourary Membership to retired members continuing their participation in CARA activities. In exchange for Honourary Members sharing their expertise through volunteer involvement, CARA will waive the annual membership fee.

Retirees wishing to continue participation in CARA activities are asked to complete, date, and sign this form and return it by email to the Executive Director at: executive_director@cara-acar.ca. This form will be completed on an annual basis in lieu of paying membership dues. Renewal of Honourary Memberships will acknowledge active participation in the work of CARA during the previous year.

Please let us know how you would like to contribute to the work of CARA by placing an X beside the activities listed below that you would most like to engage in:
